Everett, has an extensive criminal history that began at the age of 19. He has been convicted of multiple burglary, attempted robbery, evading police, receive known stolen property, passing fictitious checks, and fugitive from justice. Everett has served multiple state prison terms, the longest, a four (4) year term for burglary. Everett was released from state prison to the supervision of the Los Angeles County Probation Department on August 03, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Everett absconded from post release community supervision (PRCS). Everett qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary falls under the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
